Using a Biopsychosocial Approach to Address Health

We have not only taken a government and health systems approach, but focused on individual and community challenges and how creating approaches that address these challenges can facilitate societal adaptation and forward development. All of these became a part of the fabric that created the Biennial Symposium Series, the Intercultural Cancer Council and the Center for Research on Minority Health. The authorship of this paper is shared with some of those this journey has impacted.

The Status of the Biopsychosocial Model in Health

America and Europe officially endorse a biopsychosocial approach [26-27]. Furthermore, several health psychologists in particular consider the BPS model to be a guiding framework for contemporary research and practice [28- 30]. In the context of chronic pain, for example, a 2004 study by Gatchel and a 2007 study by Gatchel and colleagues both demonstrate that the connections among
