Math 117 Elementary Algebra ssc.edu

The content of Elementary Algebra is comparable to a first year of high school algebra. The pace is roughly four and a half times as fast as a year-long high school algebra course, so it will feel like a college class. Missing one day is almost like missing a week in high school. In addition, expect the grading standard to be more rigorous than high school. In short, go to class, take notes and do your homework often and regularly if you expect to do well.
